City Services OWNER Disconnect Request

Property Owner

Property Address

Billing Address

Phone:

Cell:

As owner of said property, I am requesting **water, sewer and garbage** to the Property be disconnected during my absence/vacancy. I understand that I must request reconnection of these services, and that I will be required to pay monthly inactive fees (\$ 12.50 water and \$ 12.50 sewer) during my absence and a reconnection fee of \$50.00 when these services are restored. *I also understand if I have water turned off at the curb stop, I or a representative must be present when the water is turned back on by City employees.*

I request that **water, sewer and garbage** to the Property be disconnected permanently effective

_____ as the property, has been: _____
